every square foot of land in the city will be mortgaged to public creditors, pretty nearly, if not quite to its full value, for moneys raised on the public credit by our officials, and mainly applied to the uses of themselves and their retainers."

Though our Tammany is a smaller than that of New York, and though flone of its motions can boast the triumphs of a Tweed, still our lands have been far too heavily mortgaged for the benefit of officials and contractors, and the taxes paid by the people have been frittered away without any sufficient considerations. We trusk that the now pressing demand for reform will not pass away without some good fruit. It is to the interest of all good ditizens that taxes should be as light as possible, and that every dollar raised should be legitimately, and economically expended. egitimately, and economically expended.

A Petersburg correspondent of the Richmond Dispatch says: "A farmer from Southampton County, over fifty years, old, performed some astonishing feats of strongth in Donnan & Johnston's commission house to-day. He handled a bale of cotton with ease, and drank from a harrel of whither life the county of the coun from a barrel of whiskey, lifting it up to his lips (a la Peter Francisco) with his

Are the Oldest Established of Any in the World.

In range of work this Machine cannot be requalled. Will work equally well on thick or thin goods, from gauze to heaviest beaver coatings, or even leather, without change of needle, tension or thread. We will warrant them to do this. Our fine work is equal to any, and our heavy work excels that of any other machine in the world. Ladies wishing to introduce the sewing into their families will find it a great saving of time, labor and expense to at once purchase the best. I craons who have tried all machines are unanimous in declaring this to be the easiest learned of any in the market. If you are prejudiced in favor of any particular machine, at least examine THE HOWE before you purchase.
